INVITATION FROM THE PRESIDENT

The Council and I are pleased to welcome you to the 2026 AMMA Conference, to be held in the dynamic and world-class city of Sydney, New South Wales.

Following the outstanding success of our recent conference – with attendance exceeding 800 delegates, we are excited to build on this momentum and deliver an even more impactful gathering in Sydney.

Under the theme **Shifting Tides of Military Medicine: Geopolitics, Interoperability and Resilience**, this year's conference will provide a powerful platform to examine how global forces are reshaping military medicine. The conference will continue to champion the next generation of military medicine professionals, showcase cutting-edge technologies, and highlight the critical role of research and innovation in advancing capability and care.

The Council is committed to delivering a comprehensive and engaging experience, featuring an outstanding program of scientific sessions and keynote presentations, complemented by interactive exhibitor and sponsor opportunities. We have developed a range of tailored sponsorship packages to maximise value and would welcome the opportunity to customise a partnership that aligns with your strategic objectives.
